

# Email Instructions

## Email:

All members of FTLOA can have an email address from the Club. Any email sent to this address will automatically be forward to your home email. You can also go to an online mail server and send email using your club account at this site <http://mbox.ftloa.org>

If you would like a club email send me an email at [webmaster@ftloa.org](mailto:webmaster@ftloa.org)

List your home email you want your club email to be forward to. You also need to send me a password for the email log on. The Password must be at least 6 digits.

I am not using an email link on the web site, this means that people need to copy and paste your email address into the TO: tab.

If I make it a link to open your default email program and you don't use one then it becomes confusing.
