Secretary's report: I have attended Art in the Park meetings in preparation for August 14, 2010. We have past the deadline to jury in. For those of us attending there is a letter coming to us with a map of all the vendors booths and they are all assigned. There is a one way traffic pattern, they request that all gear be dropped off at your site and then move the vehicle to clear out the driving area. This seemed to be the biggest concern in things running smoothly. This should be a fun, and busy day. The credit card machine will be available, please be prepared to handle all of your cash. If the credit card machine is needed it is at Barbara's space she is sharing a space with Doris Barrick. Any further Questions please ask me if I do not know I will find out. angelaankenman@ftloa.org. Thanks.

The Planning Committee is preparing to amend the by-laws. There is some missing specific information such as terms for our officers, and other related details that need to be decided. If you would like to be a part of this please come to the planning meeting, to submit any suggestions or questions you have.
